## NOTICE

As is known FDDI has signed an MoU with IGNOU for offering UG & PG programmes in ODL mode. However, this scheme of things doesn't include Fashion Design and Business Entrepreneurship programmes.

Accordingly, it has been decided that students of 2015 batch enrolled in Fashion Design and Business Entrepreneurship programmes with FDDI shall be given a rebate of Rs. 7500/- per semester.

As advised earlier students are once again counselled to enroll for any Distance Learning Degree programme with any approved University, if they so desire.
