Date of Counseling for the allotment of FDDI Campus.	PG Programmes - 10 th & 11 th July 2017 UG Programmes - 12 th , 13 th & 14 th July 2017
Date of Reporting at the allotted Campus of FDDI.	31 st July 2017
Date of Commencement of Program.	1 st August 2017

1. IGNOU- Details of University

The Indira Gandhi National Open University (IGNOU) was established by an Act of Parliament in 1985 to achieve the following objectives:

- Democratizing higher education by taking it to the doorsteps of the learners
- Providing access to high quality education to all those who seek it irrespective of age, region or formal qualifications
- Offering need-based academic programs at affordable cost in emerging professional and vocational areas
- Promoting and developing distance education and maintaining standards in distance education in the country

1.1 Academic Programs Offered

The University offers both UG and PG programs leading to Degrees. Most of these programs have been developed after an initial survey of the demand for such studies. They are launched with a view to fulfil the student's needs for:

- Improvement of skills
- Acquisition of professional qualification
- Continuing educational and professional development at work place
- Diversification of knowledge
- Self-enrichment

1.2 Master's Degree Programs: (M.Sc.) - Duration two years

1. Master in Footwear Design & Production-(MSCFDP)
2. Master in Retail & Fashion Merchandise –(MSCRFM)
3. Master in CAD/CAM- (MSCCAD)

1.3 Bachelor's Degree Programs: (B.Sc.) - Duration three years

1. Bachelor in Footwear Design & Production-(BSCFWP)
2. Bachelor in Retail & Fashion Merchandise-(BSCRFM)
3. Bachelor in Fashion Leather Accessories Design-(BSCFLAD)

2. INSTRUCTIONAL SYSTEM

The University follows a mix of conventional and multi-media approach for imparting instruction to its learners. The instructional package comprises a combination of one or more of the following:

- Live counseling sessions at all FDDI campuses
- Face-to-face classes at all FDDI campuses
- Self-instructional print materials (Hand-outs)
- Laboratory work
- Technical and Factory visits
- Assignments
- Projects
- Presentations
- Project work including work-related field projects
- Case Study
- Industry Training

2.1 Course Preparation

The University along with FDDI prepares the self-instructional print material (Hand-outs) in association with academia, R & D and practicing personnel. The study material is developed by teams of industry experts drawn from all over the country. The print material is scrutinized by the content experts, supervised by the instructors/unit designers and edited in-house. Self-instructional study material can be provided in compact disc (CD) to encourage less use of paper.

3. Introduction to FDDI

FDDI was established by the Ministry of Commerce and Industry, Government of India in the year 1986. It is an apex organization, serving as a 'One Stop Solution Provider' for the various problems faced by the footwear and leather industry. Since its inception, FDDI has been playing a pivotal role in facilitating the Indian industry by bridging the skill gap in the areas of Footwear, Leather Accessory & life style product. FDDI has been functioning as an interface between the untapped talent and industry and its global counterparts by fulfilling the demand of skilled manpower with its state-of-the-art machines, world class infrastructure and contemporary curriculum.

Facilitating a network between the Indian industry's supply and demand with its global counterparts, FDDI has its main campus in Noida and has a pan-India presence. The other campuses are at Fursatganj (Near Lucknow), Chennai, Kolkata, Chhindwara, Rohtak, Jodhpur, Guna, Ankleshwar (Gujarat), Chandigarh, Hyderabad & Patna. All these campuses have state-of-the-art facilities-Library, Sports Facilities, Auditorium, Hostels for Boys and Girls, IT Labs etc. It offers a variety of courses under different disciplines and ensures adequate opportunities for research, training and development in the highly creative field of Indian fashion industry. Helping to nurture young talent, the institute provides training of human resource for the Indian industry and is instrumental in enhancing their global competency and performance.

Due to the excellent quality of skill development, contemporary industry oriented curriculum and hands on experience on state-of-the-art machine/workshops, students of FDDI have a very good record of placement in industry.

FDDI is the only institution of the country, in its core area of expertise, to have certifications such as ISO 9001 (for FDDI Noida), ISO 14001 and ISO 17025 (ITC only). It has accreditations/tie-ups with the leading international organisations like SATRA-UK and top Management and Fashion Design institutes such as LDT Nagold (Germany).

4. CERTIFICATIONS

- FDDI is the first training Institute in the area of core competencies to be awarded various prestigious certifications/ accreditations from leading international standards. e.g.
 - ISO 9001 (FDDI, Noida)
 - ISO 14001 (FDDI, Noida)
- Certificates for FDDI ITC:-
 - BIS (Bureau of Indian Standards)
 - ISO 17025 & SATRA

5. FDDI – IGNOU MOU

FDDI- Established in 1986 under the aegis of Ministry of Commerce and Industry, Govt. of India with the objective of skilling the youth with an emphasis on employability and entrepreneur skills in the niche area of footwear, leather products and design. Subsequently programs for Retail merchandise were also launched.

IGNOU - Established in 1985 by an Act of Parliament -

- To enhance access and equity to higher education through distance mode.
- To promote, coordinate and determine standards in open learning and distance education systems.

FDDI and IGNOU have signed an MOU so as to bring together the depth and reach of these two premier institutions. The MOU is aimed at promoting synthesis between academic curriculum and practical honing of skills of students in the areas of Footwear Technology, Leather Goods and Accessories, Retail etc. The intent is to impart vocational education and training by adopting Open & Distance Mode of Education in pursuance of Section 5 (1) (i,ii,vii,xi,xiii & xxi) of IGNOU Act 50 of 1985 enabling IGNOU to recognize examinations or periods of study at other institutions as equivalent to examinations or periods of study in the University among other provisions and offer professional programmes for the persons desirous to work in the Footwear Design/Retail/Leather Accessories/Allied industry” through distance mode of education. All the Under Graduate and Post Graduate Degree programmes shall be exclusively offered at all FDDI campuses across India located at Noida, Fursatganj (Near Lucknow), Kolkata, Chennai, Rohtak, Chhindwara, Jodhpur, Guna, Patna, Chandigarh, Ankleshwar (Gujarat) & Hyderabad. All FDDI campuses are equipped with latest technology and too is to offer our students the best learning environment and facilities for physical and mental growth.

5.1 FDDI & Its Programs

Code	UG Program	Duration	Code	PG Program	Duration
BSCFWP	B.Sc. - Footwear Design & Production	3 years	MSCFDP	M.Sc. - Footwear Design & Production	2 years
BSCRFM	B.Sc. - Retail & Fashion Merchandise	3 years	MSCRFM	M.Sc. - Retail & Fashion Merchandise	2 years
BSCFLAD	B.Sc. - Fashion Leather Accessory Design	3 years	MSCCAD	M.Sc. - CAD/CAM	2 years

6. FDDI SCHOOL OF FOOTWEAR DESIGN & PRODUCTION (FSFDP)

Footwear and allied industries occupies a place of prominence in the Indian economy in view of its massive potential for employment, growth and exports. The Industry growing at a rate of more than 25% per annum is today the most favorable sourcing and manufacturing base destination for the leading countries like Italy, Germany, UK, USA, Hongkong, France, Spain, Netherlands and Belgium. Further the growing Retail Sector in India with Footwear and Leather holding a premium share in the segment offers a lucrative career opportunity for the techno-management professional coming out of the Institute every year in the various segment of the Footwear Retailing. Due to the structured blending of the technical training and the application based managerial specialization in the area of Production, Marketing, Design, Merchandising and Retail Management, the school offers high end career opportunities in Production and Planning, Designing, Footwear Fashion/Styling and CAD/CAM Specialist, Marketing, Merchandising, Buying/Sourcing, Costing and Quality Management, Shop Floor operations and in the back end of Footwear Retailing sector both in India and abroad.

6.1 B.Sc. – FOOTWEAR DESIGN & PRODUCTION-BSCFWP

6.1.1 AIM

The aim of the program is to create man power in the field of Footwear Design, Production and Merchandising to fulfill the demand of the rapidly growing international and domestic business. The emphasis of program is on inculcating the knowledge and skill about the latest technology and modern practices, which are relevant to the Industry to compete in the international market.

6.1.2 STRUCTURE

The three years program comprises of six Semesters in which the emphasis is given on concept and skill building in various areas of Design, Manufacturing Technology & Management and developing the overall personality. In the final year students are offered specialization in “Production Technology, Productivity & Quality Management”, “Design & CAD/CAM” and “Marketing, Merchandising & Footwear Retail Management.”

6.1.3 CONTENT

Product knowledge, Material understanding, Design, Fashion, Styling, Product development with the usage & exposure of high end software & equipment like Crispin, Coral Draw, Photoshop, CAD/CAM, Die (Mold)-Lesscutting, the intricacies involved in the manufacturing operations like cutting technique, closing techniques, component manufacturing techniques, lasting & finishing techniques etc., with the blending of management core and functional management subjects like Basic Economics, Communication, Basic Engineering, Principles of Management, Personality Development, Computer Science, Lab Testing, Marketing, HRM, Organization Behavior, Project Management.

6.1.4 CAREER PROSPECTS

The Indian Corporates along with MNCs have made it possible to look forward to exciting career opportunities across the board i.e. Production & Planning, Quality, Product Development, Marketing, Merchandising, Designing, Range Building, Category Head, Buying, Retail Merchandising, Retail Operations etc. The Program has an impressive track record of very high placement in top business houses in Footwear Industries, Retail Sector, Buying Houses and Allied Industry across globe.

6.2 M.Sc. – FOOTWEAR DESIGN & PRODUCTION - MSCFDP

6.2.1 AIM

This program is intended to create techno-management professionals who can understand the new dynamics of global business environment within a framework of business ethics and corporate governance and meet the ever growing demand of the footwear retailing and allied industries in a highly modernized setup.

6.2.2 STRUCTURE

The two-year program is focused on concept building in the area of footwear manufacturing technology and its Management. Students are offered specialization in Production, Marketing, Merchandising, Management and Polymer Technology.

6.2.3 CONTENTS

Product Knowledge, Material Foundation, Pattern & Pre-Production Engineering CAD, Footwear Production Technology, Cutting, Stitching, Footwear Constructions, Finishing, Lab Testing, Sports Shoe Technology, Personality Development, Communication, Community Development, Computer Science, Production Planning & Control, Material Management, Production Management, Domestic & International Marketing Management, Accounting & Finance, HRD and Personnel Management, Operations Management (OM), Business Policy, Sourcing & Merchandising, Customer Relationship Management (CRM), Retail Management, Six Sigma and Productivity Improvement Techniques etc. Industrial Training and Projects are the integral part of training program.

6.2.4 CAREER PROSPECTS

The two year program is designed to create techno-management professionals equipped with right skills and knowledge to serve various domains of footwear design & production, retailing and allied industries globally. With the unique structured blending of the high end technical knowledge/skill and the application based managerial specialization in the area of Production, Marketing, Design, Merchandising and Retail Management, the School offers high end career opportunities in Production & Planning, Designing, Footwear Fashion / Styling and CAD/CAM Specialist, Marketing, Merchandising, Buying, Costing and Quality Management, Shop Floor Operations and in the back end of Footwear Retailing sector, both in India and abroad.

6.3 M.Sc. - CREATIVE DESIGN & CAD/CAM-MSCCAD

6.3.1 AIM

This program is intended to groom modern designers who are capable of taking the challenges as Product Visualizers, Concept Developers and Designers.

6.3.2 CONTENTS

Material & Product Information, Basics of Cutting, Stitching, Components, Lasting and Finishing. Professional Design Management Practices, Application of Design Concept, Advanced Illustration & Technical Designing, Range Building, CAD Applications, Industrial Training and Projects are the integral part of training program.

6.3.3 CAREER PROSPECTS

On completion of the program students can join the Footwear or Leather Industry as Designers, Visual Merchandisers, Developers, CAD/CAM Specialists, Fashion Trend Forecasters and Design Consultants.

7. FDDI SCHOOL OF RETAIL & FASHION MERCHANDISE (FSRFM)

Indian Retail Industry is predicted double in size from 600 billion dollars in 2015 to 1.2 trillion dollars in 2020. Projected employment in retail sector by 2020 estimated to be 55.73 million.

Fast changing consumer behavior coupled with rapid developments in technology and regulatory environment will continue to give a push to this industry. Modern Retail Trade is expected to grow 3 times to 180 billion dollars by 2020 from 60 billion dollars in 2015. E-Commerce in India is expected to quadruple to 60-70 billion dollars over the next 5 years. Modern retailers have tried to capitalize on this opportunity by increasing their store presence across major cities. There will be close to 200 cities with population of over 0.5 million by the turn of 2020.

7.1 B.Sc. - RETAIL & FASHION MERCHANDISE -BSCRFM

7.1.1 AIM

To provide the students with high level of knowledge and understanding of the concepts and processes involved in Store Operations, Retail Merchandising, Visual Merchandising, Buying, Retail Communication, Design Concepts, Fabric, Fashion Forecasting and Fashion Trends.

To equip the students with the necessary practical, research and analytical skills necessary for a professional career in the functional areas of Store Operations, Buying & Retail Merchandising, Visual Merchandiser, Marketing Retail, Fashion Communication, Fashion Forecasting and Trends.

To provide the necessary framework for the theoretical & practical inputs for Fashion Merchandising, Luxury Retailing, Store Operations, Buying & Merchandising and Visual Merchandising.

To prepare a strong foundation for both the front-end & back-end store functions of Retail Operations, Fashion Merchandising and Luxury Retailing.

7.1.2 STRUCTURE

The program offers a unique three years intensive program providing with the opportunity to build on future career aspirations. The course introduces students to the significance of Fashion Communication, Fashion Merchandising, Buying and Merchandising, Fashion Forecasting, Fashion Trends, Retail Operations, Visual Merchandising and Visual Communication. Students will undergo extended practical workshops combined with relevant work placements. Students will be required to complete a final major project in the last term of the academic year.

7.1.3 CONTENTS

Elements of Fashion, Fiber to Fabric, Introduction to Apparels, Fashion Forecasting, Fashion Trends, Product Costing, Retail Operations, Buying and Merchandising, Trend Research, Fashion Communication, Visual Merchandising, Store Design, International Retailing, Franchising, Mall Management, Supply Chain Management, Marketing Management, Human Resource Management and Entrepreneurship.

7.1.4 CAREER PROSPECTS

Graduates of this program find employment in the following areas:

Retail Store Visual Merchandising or Display Departments

Visual Merchandising Consultancy and Supply Companies

Retail Merchandising, Buyers, Category Manager

Retail Operations – Area Manager, Retail Manager, Floor Manager, Department Manager Etc.

Luxury Brands – Store Manager

E-commerce – Business Manager, Category Manager, Merchants

7.2 M.Sc. - RETAIL & FASHION MERCHANDISE -MSCRFM

7.2.1 AIM

The aim of the program is to fulfill the growing demand of the retail industry for trained retail professionals by nurturing the latent talent. This program aims to equip the students with the skills, creativity and knowledge and insight to understand retailing as a business management discipline. The participants will develop expertise in Retail Management, Retail Merchandising, Visual Communication and exercise the skills required for retail operations.

7.2.2 CONTENTS

Product Knowledge in Apparels, Retail Management, Consumer Behavior, Visual Merchandising, Retail Merchandising, Retail Communication, Customer Relationship Management, Retail Financials and Accounting, Retail Operation, Marketing, Site Selection, Retail Organization, Brand Management, Sales Management, Supply Chain Management, Basic Computer Knowledge, Retail Software Knowledge, Personality Development and Communication.

7.2.3 CAREER PROSPECTS

After completion of program students can join the fashion or retail industry as Management Trainee, Retail Merchandiser, Category Manager, Buyer, Department Manager, Retail Manager, Floor Manager, Area Manager, Fashion Consultant with national & international brands like Reliance, Shoppers Stop, Lifestyle, Pantaloons, Big Bazar, Bata, Chanel, Burberry, Armani, Versace, Tommy Hilfiger, Puma, Zara and Benetton.

8. FDDI SCHOOL OF FASHION LEATHER ACCESSORY DESIGN (FSFLAD)

The FDDI School of Fashion Leather Accessory Design has all the latest state-of-the-art equipments and machines along with the latest CAD enabled studios and classrooms. With the present infrastructure and guidance from the Industry, the School of Fashion Leather Accessory Design surely promises to take design education to a new height in the coming years.

The School of Fashion Leather Accessory Design offers UG programs to impart in-depth training in the area of Fashion Leather Goods, Garment & Accessory Design which is supported with hands-on training with real life studio & live projects under the guidance of internationally reputed design professionals and Industry experts. The Institute has also established long term tie-ups with major global players as well as with the leading institutes of design, to share the knowledge base and expertise.

8.1 B.Sc. – FASHION LEATHER ACCESSORY DESIGN - BSCFLAD

8.1.1 AIM

The aim of the program is to build Design-Techno-Managers and Professionals in the field of Fashion Leather Accessory Design and Manufacturing Sector. The aim is to create multi-disciplinary professionals who will cater to growing need of the Industry and contribute in this constantly changing and continuously upgrading Fashion Leather Accessory Design and Production Sector. The graduates of this program will act like a catalyst to change the emerging face of the Leather Product Sector by adding value based design, technical inputs and production support to meet the challenges of the global players; thus contributing to the growth and up-liftment of the Indian Fashion Leather product Industry.

8.1.2 STRUCTURE

The three-year program is focused to concept building in the area of Fashion Leather Accessory (Goods & Garments) Designing and Manufacturing Technology. Students are offered specialization in Designing, Production and Merchandising.

8.1.3 CONTENTS

Design Foundation: This being the first introductory module of the entire curriculum, we emphasize in opening the horizons of the individuals and try to build the ethical and professional competency. This two semester rigorous training exposes the individuals to varied world of fundamental realities of design. The subjects broadly taught during the design foundation are: Illustration Techniques, Geometric constructions, Analytical & Technical Drawings, Elements of Design, Color & Composition, Product Form & Design, Ergonomics, Presentation Techniques, Material Science & Leather Technology, Principles of Management, Fundamentals of Marketing, Finance & Human Resource Management and Overview of Fashion.

Technical Foundation: During this year students understand the fundamental and the latest technical developments which govern the growth of the Indian Fashion Leather Product Sector. The modules include: Product Knowledge and overview of Fashion Leather Accessory (Goods & Garments) Design, Leather Cutting, Leather Stitching, Pattern Making, Basic Construction Techniques, Various Leather Machines

Operations, Use of Tools and Accessory in Leather Goods & Garment Manufacturing, Identification and Finishing of Leather Goods, Production and Operation Management, Costing, Quality Control, Production Planning and real life industrial projects.

Specialization: This phase of the training will add the grace and glamour to the well-groomed professionals and graduates of the Fashion Leather Accessory Design discipline. The learning amalgamation of the design concepts and knowhow of the technology will always keep them a league ahead in the professional arena. We emphasize on the realistic and market driven inputs which the key to a successful professional are. The modules are: Design Process & Methodology, Fashion Trends, Forecast and Analysis, Design Conceptualization and Range Building, Design Projects in Leather Goods, Garments & Accessory Collection Development, CAD, Leather Goods & Garment Design and Manufacturing Techniques, Leather Goods & Garment Pattern Development and Production Techniques, Classroom and Industrial Design Projects, Business Communication & Presentation Techniques, Product Documentation, Product Photography, Final Design Collection Development and Guided Industrial Internship.

8.1.4 CAREER PROSPECTS

The world of Fashion Accessories is increasingly growing in the international landscape and requires more and more specializations. After successful completion of the program, students may join the Industry as Designers, Merchandisers and Production Executives. The training also enables them to become an entrepreneur in the growing field of Fashion Leather Accessories and Garments. The graduate professional of the discipline will be most qualified for the toughest competitions and will prosper with the flares, catering the Indian Fashion Leather Industry.

9. CAMPUS WISE FEE STRUCTURE

FEE STRUCTURE FOR UG PROGRAMMES (3 YEARS)

Semester	NOIDA	KOLKATA/ROHTAK/JODHPUR/ HYDERABAD/PATNA/ ANKLESHWAR/CHANDIGARH	CHHINDWARA/FURSATGANJ/ CHENNAI/GUNA

11. ELIGIBILITY for UG & PG Programs of FDDI

11.1 Educational Qualification

Eligibility for UG programs : 10+2 / Intermediate
(Candidates appearing in 10+2 may also apply).

Eligibility for PG programs : Graduation in any discipline.
(Candidates appearing in final year may also apply).

11.2 Age Limit

Age Limit for UG programs : Max. 25 years as on 31st July 2017

Age Limit for PG programs : No Age Limit

11.3 Communication Standards:

The candidates are expected to possess good communication skills in English. It is recommended that the candidates should have good command in written and spoken English language as the same may help the candidates to improve their performance in the entrance test and interviews for placement.

12. ADMISSION GUIDELINES

Eligible candidates are required to appear for All India Selection Test (AIST) comprising of Computer Based Multiple Choice Examination. AIST shall be conducted on 9, 10 & 11 June 2017 at various centres. Candidates have an option to choose the date according to their convenience. AIST shall be conducted at the following location across India –

1	AGRA	2	ALLAHABAD	3	ANKLESHWAR	4	BANGALOR
5	BAREILLY	6	BHUBNESWAR	7	CHANDIGAR	8	CHENNAI
9	CHHINDWAR	10	CHITTORGAR	11	DEHRADUN	12	DELHI
13	GHAZIABAD	14	GORAKHPUR	15	GUNA	16	GWALIOR
17	GUWAHATI	18	HYDERABAD	19	INDORE	20	JABALPUR
21	JAIPUR	22	JALANDHAR	23	JODHPUR	24	JAMMU
25	JAMSHEDPUR	26	KANPUR	27	KOCHI	28	KOLKATA
29	LUCKNOW	30	MEERUT	31	MUMBAI	32	NOIDA
33	PATNA	34	RAIBAREILL	35	RANCHI	36	ROHTAK
37	SHIMLA						

Candidate is required to give (4) choices in the Registration Form in order of his/her preference for examination centre from the above mentioned list. FDDI would allot exam centre as per availability. Once allotted, no request for change of date and exam centre shall be entertained. The allotment of centre of examination and date shall be given on first come first serve basis. During allotment of test centre and date of examination, choice mentioned in the registration form shall be considered. FDDI reserves the right to add or cancel the exam centers listed above without assigning any reason.

Admit Cards bearing the address of Exam Centre and Date of Exam for online examination shall be uploaded on the Institute website-www.fddiindia.com The Examination is conducted in Hindi/English medium. An All India Merit List shall be prepared on the basis of the result of AIST by last week of June 2017.

NOTE: Candidates appearing in final year exam shall be provisionally allowed to appear in FDDI entrance examination. However, such candidates are required to submit mark sheet of final year at the time of admission. In case candidates fail in the final year exams, their admission shall be cancelled.

13. PROCEDURE FOR ADMISSION THROUGH COUNSELING

The programme & campus shall be allotted to the candidate on the basis of his/her rank and preference. Successful candidate shall be called for the counseling in the order of his/her rank. Admissions shall be made strictly on merit basis(Rank-wise) and counseling/ admissions shall continue till all the seats get filled-up.

The number of candidates called for the counseling shall be more than the actual number of seats. Therefore, there are possibilities that all the seats are filled before the counseling of all called candidates is over. Candidate shall be called in the counseling room as per his/her rank on the basis of aggregate score in the AIST.

Institute does not take any responsibility for any inconvenience caused to parents/candidate due to closure of the counseling prior to their turn. A candidate who is allotted a seat has to pay an amount of Rs.25000/-on the spot to reserve the seat. The amount submitted shall not be refunded in case of withdrawal of admission. The candidates shall be given seven working days to deposit the balance fee.

14. EXEMPTION

Candidates who have appeared in any of the below mentioned Entrance Test shall be exempted from appearing in the AIST provided they have obtained scores in the examination.

14.1 Master Degree Programmes

CAT/XAT/MAT/AIMA/JMET/NMAT/AMCAT/SNAP/GMAT/AIM-CAT/ or other equivalent entrance test.

14.2 Bachelor Degree Programmes

AIEEE/BITSAT/IITJEE/GGSIPU/VIT/SRM/BCECE/UPSEE/MP CET/GUJCET/EAMCET/
COMEDK/MHCET/ODISHA JEE or any other equivalent entrance test

However, score secured by the candidate in these examinations shall be considered as per the following criteria—the aggregate percentile of said examination shall be equated at par with AIST percentile. Marks corresponding to the nearest percentile of the candidate who has appeared in the AIST shall be allotted and the candidate having percentile in other examinations shall be positioned just below the marks obtained by such candidate.

For example, the candidate having 92.84percentile in MAT shall be equated to the nearest percentile of the candidate appeared in AIST, which is 92.75 and the marks corresponding to the percentile is 160/300 in case the MAT student with 92.84percentile shall also be allotted 160 marks. However, in case of MAT students who have also appeared in AIST, the better of two marks as per the above method shall be allotted. Similar formula shall be applied in case of any other entrance test as well.

The common merit list of examination shall be prepared for candidates who have appeared in the AIST and applied under exempted categories. On the basis of their aggregate marks, the FDDI ranks shall be awarded to the candidates. In case of some of the entrance examinations, where on rank is awarded but no score is available, the suitable decision shall be taken by the Admission Committee and the suitable FDDI rank shall be awarded to such candidates. The decision of Admission Committee shall be final in this regard.

15. HOW TO APPLY?

Candidates are required to fill the Registration Form Online as per the instructions mentioned and upload the requisited documents at the time of Registration. The important instructions for filling the form are given below:-

- A candidate can apply for more than one programme by paying for a single registration form; for applying in multiple programmes candidate has to fill the programme code in accordance to their preference of programme as given in the Registration Form.
- Candidates for UG programme can apply for other UG programmes only, in the same form by using the choice filling option available.
- If a candidate wishes to apply for both UG & PG programme he/she has to fill two separate Online Registration forms.
- Candidate can select the centre and date of his/her choice from the dates given on the Registration Form for appearing in AIST. Maximum efforts shall be made to accommodate the request on first come first serve basis. However, due to infrastructure constraints a candidate may sometimes be asked to appear on other date / centre also.
- Candidates applying under the "Reserved Category" (SC/ST/OBC/PH/Disabled) must upload a self- attested documentary proof, as admissible.
- Candidates applying under exemption for written exam must upload scanned copy of his/her relevant score card or admit card (in case result is awaited) of the exam in which he/she has appeared.
- Candidates are required to upload one recent passport size coloured photograph & fill in the personal details given in the Admit Card (Mandatory).
- Signature of the student must be uploaded on the specified place.
- Forms which are incomplete in any aspect shall be rejected without notifying the candidate.
- Candidates are advised to visit the admission website: www.fddiindia.com regularly for all updates & care fully read the eligibility criteria before Registration.
- The Registration Fee is Rs.500. Candidates have to pay this amount for UG/PG programme he/she applies for.

Candidate facing technical problems while filling in the Registration Form may call 0120-4818400 (49 line) (Monday to Friday between 9:30 am to 5:30 pm) except on Government holidays.

Please note that candidate applying through online process should not send the registration form by post

16. GUIDELINE FOR ENTRANCE TEST

The computer based multiple choice examination shall be conducted at the specified centers. Each candidate would be provided with a computer and individually allocated user-id and password. By using the allocated user-id and password, the candidate would be able to access the Test Paper. The questions contained in the Test Paper would be rendered one at a time on the computer monitor. The entrance exam would be conducted over multiple sessions in a day and the test would be scheduled for all the candidates. The short listed candidates would be communicated their test centers, session and test time details through admit card, which shall be uploaded on the admission website.

It is mandatory for the candidate to carry a printed copy of his/ her admit card (with photograph pasted on it) to the allotted Test Centre along with valid identity proof such as Voter's ID Card/ Passport/ Driving license/ Identity Card issued by previous institution. The candidate would be allowed to appear for the entrance exam only on validation of his / her identity by the center administrator located at each center.

FDDI entrance test shall be for 2½ hours (Two and half hours) duration and conducted in English & Hindi languages. There will be a total of 150 objective type questions. Examination would comprise of the following sections:

FOR J.G. PROGRAMMES				FOR P.G. PROGRAMMES			
Section	Description	Time Suggested (in minutes)	Number of Questions	Section	Description	Time Suggested (in minutes)	Number of Questions
Section A	Mathematics	45	45	Section A	Quantitative Aptitude & Reasoning	45	45
Section B	General Science	30	30	Section B	English	45	45
Section C	English	45	45	Section C	General Awareness	30	30
Section D	General Awareness	30	30	Section D	Business Aptitude	30	30
Total		150	150	Total		150	150

Each question will carry 1 mark. There shall be no negative marking. The time allotted or the test shall be shown on the screen as Time Left to finish the test. The time shall start as soon as the candidate clicks the "Start Test" button. On completion of the test, the candidate may exit by pressing the "Submit" button. The candidate should attempt all the questions within the stipulated test duration of 2½ hours to avoid being "timed out".

The Test Centre Administrator would be available at the Test Centre to provide all the necessary assistance. The test would be invigilated to ensure that spirit of the exam is maintained. The candidate found indulging in any kind of malpractice would be disqualified and would be instructed to leave the test premises immediately. The candidate would not be allowed to carry Mobile Phones, Calculators, PDA, Listening Devices and Recording or Photographic devices of any nature in the examination hall.

Note: Candidate can collect hard copy of sample test papers by paying online or from FDDI Campuses on payment basis. Mock Test, would be available on our website for practice, one week prior to the entrance exam.

Any attempt to influence the admission process by way of recommendation will invite disqualification of the candidate.

17. ADMISSION UNDER SPONSORSHIP CATEGORY

Out of the total capacity of any batch, 7.5% seats are reserved in each programme for Industry-Sponsored candidates if they meet the required eligibility criteria. The Candidate shall be interviewed and the selection shall be done on merit basis. Industry sponsored candidates are required to pay twice the normal fee in case of Noida campus and 50% extra fee for other campuses in addition to the normal fee.

FDDI shall not be responsible for Industry Internship & Placement for such candidates.

The sponsoring company shall make arrangements for the placement of these Candidates. Candidates applying in the sponsored category must submit a sponsorship certificate issued on the company letterhead duly signed & stamped by the authorized person as per the format given below. In case of non-availability of industry sponsored candidates the seats reserved for them shall be offered to non-sponsored candidates.

SPECIMEN OF SPONSORSHIP CERTIFICATE

To

The Managing Director FDDI,

NOIDA - 201301

Dear Sir,

We are sponsoring Mr./Ms.....for.....programme scheduled to commence from 1st August 2017.

We also undertake to employ Mr. / Ms. after the programme is completed. We agree to pay 50% or 100% extra than the normal fee.

18. CRITERIA FOR NRI / FOREIGN STUDENTS

18.1 Overseas Candidates:-

Overseas candidate applying for admission in to UG & Pg programs have to fill the registration form online along with other applicants in India. Such students may attend interview process online. 15% seats in all FDDI Courses are reserved for applicants from foreign countries/NRIs on supernumerary basis.

18.2 Procedure for applying under foreign nationals / NRI category:

Candidate seeking admission under this category should apply through online Registration Form which should be duly filled in and submit it later along with the following documents:

- Self attested copy of the relevant pages of the passport containing details of the applicant.
- Self attested copy of proof of status of NRI/ Foreign National.
- Admit Card duly filled in with recent photographs. The Registration fees shall be Rs. 500/-. The candidates selected under this quota will be required to pay double the fee for each semester. They need to obtain a valid residential permit or student visa for the prescribed duration of the programme.
- For UG candidate: Self attested copies of mark sheets of equivalent grades/levels of SSC and HSC (those who are studying presently in grade 12, must submit bonafide certificate from School/ College).
- For PG candidate: Self attested copies of mark sheets of equivalent grades/levels of completed years of graduation and degree certificate/provisional certificate/passing certificate (those who are studying in final year of graduation must submit bona fide Certificate from the College).
- Self attested copies of experience certificate/s, wherever applicable.

Seats remaining vacant shall not lapse and can be converted to any other category.

19. RESERVATION FOR SC/ST & DIFFERENTLY ABLED CANDIDATES

- Institute reserves 15% seats for Scheduled Caste (SC) and 7.5% seats for Scheduled Tribe (ST) and 27% seats for OBC (Non Creamy) candidates respectively in each programme in both sponsored as well as non-sponsored categories.
- 3% seats are reserved for differently abled candidates in each programme as per the Persons with Disability Act 1995. Such candidates should submit the disability certificate issued by medical board notified by State/Central authority certifying their disability as 40% or more.
- Candidate applying under OBC quota has to satisfy the caste and creamy layer requirement details. The caste which is mentioned in the OBC document should find its mention in the central list of OBC available at the below mentioned links :

(a) <http://www.ncbc.nic.in/backward-classes/index.html>

(b) <http://www.ncbc.nic.in/html/creamyayer.html>

(c) <http://ncbc.nic.in/backward-classes/index.html>

- Candidate applying under this quota are to produce a Caste Certificate issued not earlier than September 01, 2016 from the Competent Authority of the respective States/Union Territories certifying that they don't belong to the creamy layer. Failure to produce an appropriate certificate shall make the candidate ineligible.
- FDDI reserves the right to change the centre & course of the student if the enrolment in a particular program is less than 10 students in any campus. The fee & other charges will be applicable as per the campus fee.

20. CORPORATE & PUBLIC RELATION (PLACEMENT)

20.1 CAREER PROSPECTS

FDDI is globally recognized brand for Footwear Design & Production, Retail & Leather Goods Accessories. The Institute's rigorous training programmes are focused on creativity, innovation, leadership, teamwork and are reflected in its record of very high placement for all its graduates & post graduate. FDDI has always enjoyed special preference for Indian as well as foreign employers on account of its excellent performance sustained over a long period of time and its strong brand image.

The Corporate Relations & Placement Department plays a very important and key role in counseling and guiding the students for their successful career, which is a crucial interface for the students between the stage of completion of academic programme of studies and entry into the professional life. The department also coordinates various activities related to the placement of the students along with the Industry Internship. Reputed National and Multinational companies visit FDDI for campus interviews every year. The benefits of this assistance are reflected in the preparation of FDDI students who are able to secure esteemed positions in the industry. The placement service operates year round to facilitate contacts between companies and students. The team's other activities include career counseling by trained professionals, organizing interview skills workshop and development of effective resumes, holding seminars & events and updation of pedagogy through market research. So far FDDI has been able to achieve a very high placement record. All students secure job offers before they complete their programme at FDDI.

20.2 PLACEMENT TEAM

There are Placement Teams in all the centres to coordinate placement activities and operate as the primary interface between the corporate world and the Institute. The Placement Team is responsible for identifying the right student for organization; they select and invite companies to campus for final placements. It has an active role in consolidating the list of companies for final placements, designing placement brochure and coordinating in scheduling and organizing placement interviews and getting the best job offers with reputed companies.

23. ONLINE INFORMATION

Online Filling of Admission Form

STEP 1 : Access FDDI website: www.fddindia.com

STEP 2: Click on icon named ADMISSIONS on the Home Page.

STEP 3: Click on the notification mentioned as "APPLY ONLINE"

STEP 4: To start Registration click on the NEW USER.

STEP 5: Follow the instructions carefully and select the below mentioned instruction to start registration process by taking the cursor to the relevant box and submit it.

STEP 6: Kindly mention the course you are applying for and fill in the details including your Name, Family details, Address and the educational qualification.

STEP 7: Upload your recent passport size photograph (size not more than 60 kb) and scanned signature (size note more than 30 kb).

STEP 8: Type the virtual image you see below in your registration form.

STEP 9: Click the Submit button to continue the further process.

STEP 10: Pay the registration fee as directed. Payment for registration can be made via debit/cradit card. The registration fee is Rs. 500/- plus service charge as applicable.

STEP 11: After online payment you will be provided with the User Id and password on mobile number and Email ID given by you for further communication from the institute.

24. PROCEDURE FOR ADMISSION WITHDRAWAL

FDDI shall not charge any fee for online Admission Test other than Rs. 500/- Plus service charges as Registration Fee. Registration fee once paid is not refundable under any circumstances.

FDDI shall not engage in any commercialization of education in any manner whatsoever, and shall provide for equity & access to all deserving students.

In case an admitted student does not join the institution within 7 days of opening of the Academy Session, the Institute shall refund:

- In case the student informs of his/her intention not to join the institute at least 7 days, in writing to Admission Department, Noida, before the start of the academic session, then 100% of the fees collected minus Rs. 10,000/- as processing charges shall be refunded. The same shall be refunded within 15 days of receipt of information from the student.
- In case no such information is given by the student but the FDDI is able to fill up the seat so vacated, then 100% of the fees collected minus the processing charges shall be refunded. The same shall be refunded within 15 days of request of refund from the student or the expiry of 30 days after opening of academic session, whichever is later.
- In case no such information is given by the student by the end of 30 days after the opening of academic session, then 50% of the fees collected minus the processing charges shall be refunded. The same shall be refunded within 15 days of request of refund from the student or the expiry of 30 days after opening of academic session, whichever is later.
- If a student joins the Institute even for one day then the entire fees collected shall be forfeited.

In case a student, after having admitted to FDDI, for pursuing any course or programme of study, subsequently withdraws from the institute. The authority shall not refuse to refund such percentage of fee deposited by the student and within such time as has been mentioned in the prospectus of FDDI.
