## Training on 'Online filing of RTI Application' organized at FDDI, Noida

For effective implementation of the Right to Information Act (RTI), 2005, Footwear Design & Development Institute (FDDI), Noida has launched a RTI web portal for online filing of RTI application.

**The training was successful in bringing greater clarity on RTI among designated implementing officials (i.e. Nodal officer/DPIOs/CPIO) that shall facilitate in timely delivery of information.**

In this regard, training on 'Online filing of RTI Application' was organized on 19<sup>th</sup> December 2016 by the Ministry of Personnel, Public Grievances and Pensions Department of Personnel and Training (IR Division) at FDDI, Noida campus.

Rohtak

School of Fashion Leather Accessory Design (FSFLAD), FDDI School of Business & Entrepreneurship (FSBE), FDDI School of Retail & Fashion Merchandise (FSRFM) and FDDI School of Fashion Design (FSFD), International Testing Center (ITC), Information Technology Service Center (ITSC), Academic Administration & HR, Accounts and Finance underwent the training.

Mr. Piyush Kannal from DoPT conducted the training.

Chennai

Staff of FDDI attending the training

Chhindwara

Mr. Piyush Kannal briefing about 'Online filing of RTI Application'

He briefed about the online request and appeal filing system (Citizen Interface: <https://rtionline.gov.in>) and the RTI Request and Appeal Management System (Public Authority Interface: <https://rtionline.gov.in/RTIMIS>).

Fursatganj

The training was successful in bringing greater clarity on RTI among designated implementing officials (i.e. Nodal officer/DPIOs/CPIO) that

Noida

The heads of the various Schools of FDDI Noida, namely FDDI School of Footwear Design & Production (FSFDP), FDDI

shall facilitate in timely delivery of information.

It helped the participants to acquire good understanding of the roles and responsibilities of organisations / persons concerned with implementing the law and with enforcing the rights under this law.

With the willingness to work towards improving efficiency and transparency, FDDI is having an effective RTI Cell and is committed to maintain the standards of the RTI Act 2005.

Upon completion of training in coordination with DoPT, the RTI link has been made active at our website @ <http://www.fddiindia.com/aboutus-new/rti.html> which will enable the citizens to file online applications.

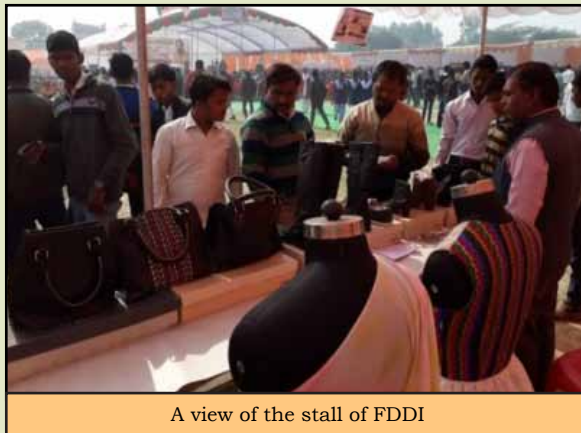

## FDDI, Fursatganj participated in the State level 'Science and Technology' exhibition

Footwear Design & Development Institute (FDDI), Fursatganj participated in the State level 'Science and Technology' exhibition which was held on 17<sup>th</sup> December 2016.

**The exhibition was one of the most promising platform where the students of the region showcase their talents in science & technology and their applications in different areas related with our everyday life.**

With a view to encourage innovative ideas, popularize and inculcate the

scientific temper among the students of Rae Bareilly District, the State level one day 'Science and Technology' exhibition was organized by the Council of Science and Information Technology Department, Government of Uttar Pradesh at Jagatpur 20 km from district head quarter Rae Bareilly.

A view of the stall of FDDI

Besides FDDI, the other schools, degree and professional colleges of repute of surrounding areas like Indira Gandhi Rastriya Udyan Academy, National Institute of Fashion Technology, Firoz Gandhi Engineering College etc. participated in the exhibition.

The students of FDDI displayed a wide range of creations at its stall which included shoes, bags, leather garments & accessories made by them.

During the exhibition, the faculty of FDDI guided the aspiring students about professional programmes conducted by FDDI and the career opportunities available through these professional programmes in the field of Footwear, Retail and Leather Goods & Accessories.

The exhibition was one of the most promising platform where the students of the region showcase their talents in science & technology and their applications in different areas related with our everyday life.

During the exhibition, the participating students and teachers not only display their scientific talents through their models and exhibits, but also got an opportunity to listen to some of the eminent scientists and scholars of the region.

Such types of exhibition provide adequate opportunities to all the participating students, teachers and visitors to get acquainted with different kind of equipment, innovative ideas, new projects and devices and techniques that are being useful for the betterment of the society and helps in the development of the country.

### Research paper presented by FDDI, Fursatganj staff during the National Conference on 'Indian Economic Reforms-25 Years'

Research paper was presented by staff of Footwear Design & Development Institute (FDDI), Fursatganj during the National Conference on 'Indian Economic Reforms- 25 Years'.

The conference which was held on 10<sup>th</sup> December, 2016 was conducted by Feroze Gandhi College, Rae Bareli in

collaboration with Institute of Public Research, Allahabad.

**During the conference on 'Indian Economic Reforms-25 Years', two research papers were presented by FDDI staff members.**

The conference was inaugurated by Prof. J. V. Vaishampayan, Vice Chancellor, C.S.J.M. University, Kanpur.

The conference that brought together thinkers from various walks of life including, economy & society was a perfect forum to discuss the various shades of the consequent economic reform process of the country.

Paper presentation by FDDI staff during the National Conference

During the conference on 'Indian Economic Reforms-25 Years', two research papers were presented by FDDI staff members.

One paper with the topic, "Economic Growth in Indian Leather Industry with significance of its Global Exports" was presented by Mr. Varun Gupta, Jr. Consultant- FT and Mr. Neeraj Sharma, Sr. Instructor- FT. This paper analyzed the strength, weakness,

threat & opportunity of Indian Leather Industry with reference to its economic growth. Export data was evaluated to do the SWOT analysis.

Another paper with the topic, "A comprehensive study of reforms in Indian Retail Sector" was presented by Dr. Avinash Bajpai, Sr. Faculty-Retail and Mr. Mohd. Siraj, Faculty-Retail. This paper focused to study the transformation and dynamics in Indian Retail sector to analyze the gap of retailing practices in developed countries like US and in developing countries like India. Impact of reforms on players of organized & unorganized retail was discussed in the paper.

The audiences were all ears to listen to the experts valued inputs. Both papers were appreciated by all.

FDDI provide ample opportunity to upgrade the skills and knowledge of its employees & to keep them abreast of the changing business environment.

### Physical Laboratory Testing Services Provided by FDDI, NOIDA

S. No.	Test Description	Charges in ₹
<b>5</b>	<b>TOE PUFFS &amp; STIFFENERS</b>	
5.1	Elongation at break	600
5.2	Change in area	600
5.3	Bondability	600
<b>6</b>	<b>ADHESIVES</b>	
6.1	Peel strength	900
6.2	Heat resistance	600
6.3	Shear strength	600
<b>7</b>	<b>HEELS</b>	
7.1	Heel pin holding strength	600
7.2	Resistance to Splitting	350
7.3	strength of top piece attachment of heel	600
<b>8</b>	<b>SHANK</b>	
8.1	Rockwell hardness C	250
8.2	Longitudinal stiffness	700
8.3	Three point bending	600
<b>9</b>	<b>THREADS</b>	
9.1	Breaking Load and extension at break	600
9.2	Twist per unit length	300
9.3	Tenacity	250
9.4	Tex	250
9.5	Colour fastness	200
9.6	Composition	600
9.7	Balance of twist	150
9.8	Thread abrasion	600
<b>10</b>	<b>TAPES &amp; BINDINGS</b>	
10.1	Bondability (self adhesive tapes)	600
10.2	Elasticity (Elastic tapes)	600
10.3	Colour migration	200
10.4	Breaking strength	600
10.5	Endurance test on elastic tapes	800
<b>11</b>	<b>FASTENERS</b>	
11.1	Resistance to repeated opening & closing	600
11.2	Lateral strength of slide fasteners	600
11.3	Strength of slide fastener pullers	600
11.4	Attachment of slide fastener Top stops	600
11.5	Attachment of slide fastener Bottom stops	600
11.6	Slider locking strength of slide fasteners	600
11.7	Security of attachment of retainer to lateral load	600

FDDI ITC (NOIDA & CHENNAI) IS OFFERING FLAT 20% DISCOUNT ON ALL TESTING TO ALL THE CUSTOMERS FROM 1<sup>ST</sup> AUGUST 2016 TO 31<sup>ST</sup> MARCH 2017 (For further continuation it will be reviewed in due course)

\* The said discount is not applicable on inter-lab testing & package fee
