ABOUT FDDI

Footwear Design & Development Institute (FDDI) was established in 1986 under the aegis of the Ministry of Commerce & Industry, Government of India to promote the growth of the footwear and allied industries.

FDDI's key objectives include:

- Developing skilled human resources for the industry
- Creating world-class infrastructure to meet international standards
- Promoting export of quality footwear and allied products

FDDI offers Bachelor, Masters, PhD programmes in the areas of Footwear Design & Production, Fashion Design, Retail & Fashion Merchandise and Leather Lifestyle & Product Design, besides offering short term Industry specific programmes

FDDI recognized as an "Institution of National Importance" under the FDDI Act 2017, FDDI plays a vital role in bridging the skill gap in the footwear, fashion, retail, and leather accessory sectors.

With 12 state-of-the-art campuses across India, FDDI provides world-class infrastructure including smart classrooms, modern workshops, advanced labs, international testing centres, libraries, hostels, and sports facilities, delivering 360° training and education under one roof.

OUR VISION

FDDI envisions being a globally recognized Benchmark Institution of design, development and production of footwear, fashion, leather goods & accessories and of retail management. FDDI aims to shape the future of these industries, positioning India as a global leader in these sectors.

OUR MISSION

FDDI dedicates itself to developing its students into impactful innovators, entrepreneurs, and skilled professionals who will contribute significantly to the nation's progress. We seek to achieve this by fostering a vibrant environment that nurtures creativity, fuels innovation, and instills a deep-seated commitment to sustainability through our high-quality education, cutting-edge research, and strong collaborations with industry. Our ultimate goal is to empower FDDI-educated individuals to drive excellence and positive transformation within various sectors by delivering superior products, responsive services, and cost-effective solutions that address real-world challenges.

FDDI CENTRE OF EXCELLENCE (COE)

Under the Establishment of Institutional Facilities, Sub-Scheme of Indian Footwear, Leather and Accessories Development Programme (IFLADP) of Department for Promotion of Industries and Internal Trade (DPIIT), Ministry of Commerce & Industry, Government of India, FDDI has brought up world class infrastructure and the skills second to none through upgradation of seven (7) of the existing campuses of FDDI into 'Centre of Excellence' (CoEs).

Sr. No.	CoEs established on "Thematic Area "	FDDI Campus
1.	Center for Design, Development & Fabric Interface	Chennai
2.	Design, Development & Fabric Interface for Leather Products & Accessories - Extended	Hyderabad
3.	Center for Leather Finishing Innovation & Product Retailing	Patna
4.	Center for Leather Goods, Garments & Accessories	Kolkata
5.	High Performance / Specialized Footwear & Products and Start Ups	Jodhpur
6.	Center for R&D, Course Development and Leather Fashion Footwear & Products Innovation	Noida
7.	Center for Non-Leather Footwear, Products & Accessories	Rohtak

These CoEs which have been operationalized will act as a unique vibrant centre for students, industry, academicians, designers, researchers and educational institutions providing the facility specifically equipped for addressing the particular thematic area of specialization pertaining to footwear, fashion, leather products, and retail & fashion merchandise.

To meet the cutting edge technologies requirement such as additive manufacturing, AI application in design and data analysis, latest software's, and augmented reality application, digital enterprise, FDDI has initiated the processes of Industry 4.0 application through operationalization of these CoEs which are having the best available infrastructure and skills to not only aid research and development, but also to address concerns of the industry like product development, technological assistance and centres for incubation and entrepreneurship development.

Diploma Program in Footwear Technology

• PROGRAM OBJECTIVE :

- ✓ To develop skilled Professional for the Footwear Industry.
- ✓ To build expertise in production processes and line management.

EVENTS & ACTIVITIES

To showcase the creative skill and edifying creativity of the student community, the campus provides a suitable platform for the budding artists to bring to light the Indian culture and showcase its present integration with the Western community by way of Co-curricular activities.

Students can develop their social and interpersonal skills by getting involved in various co-curricular activities. Various clubs like Sports, Cultural, and Literary are functional in the FDDI and these clubs and activities encourage our students to delve deeper into activities and subject areas that they are passionate about. Such activities also improve their teamwork skills, and ability to build meaningful relationship with friends and peers, as well as with junior and senior students. A core committee consisting of staff and student members manages these clubs. Some of these events and activities include Footwear and Leather Expo, Inter College/School Design Competition, Knowledge Festival, etc.
