'Training Workshop on Leather Goods Making' established by FDDI at Bishnah, Jammu yields desired outcome

The skill development training, imparted by Footwear Design & Development Institute (FDDI) at its 'Training Workshop on Leather Goods Making' at Bishnah, Jammu has yielded desired outcome.

ROHTAK

Day to day product(s) incorporating leather, textile & embroidery developed by the participants

CHENNAI

The training workshop was free of cost for the youth of Bishnah, Jammu, during which 50 trainees consisting of 49 females and one male underwent the training programme which had commenced from 02nd August, 2021.

During the training workshop, the local youth were taught about new designs & techniques of making day to day products like ladies handbag, jhola/shopping bag, ladies belt, photo frames, ladies wallet, mobile cases using embroidery and incorporating leather & textile.

CHHINDWARA

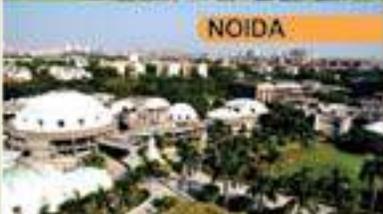

Few more day to day product(s) incorporating leather, textile & embroidery developed by the participants

FURSATGANJ

As embroidery demonstrates the legacy of Jammu & Kashmir, in this respect, types of stitches were taught to the participants on leather & fabrics.

The training workshop was successfully completed on 03rd September 2021. On completion of the training workshop, a jury session was organized in the presence of Mr.

The stepping stone towards self-dependent which fulfils the goals of Hon'ble Prime Minister's 'Vocal for Local', 'Make in India' & 'Aatmanirbhar Bharat' is evident as the trainees are able of generating new product ideas using fusion of traditional crafts and leather.

E-workshop on 'Needles' held at FDDI, NOIDA

Using the digital communication to build professional skills that go beyond the basic concepts, an e-workshop on 'Needles' was held on 14th September 2021 at Footwear Design & Development Institute (FDDI), NOIDA campus.

It was organized by FDDI School of Footwear Design & Production (FSFDP) and conducted by Mr. Bipin Kr. Singh, Sales Executive, SCHMETZ India Pvt. Ltd., a needle manufacturing unit.

Mr. Bipin Kr. Singh, Sales Executive, SCHMETZ India Pvt. Ltd.

Presentation in progress

Mr. Bipin, who is well-versed in the technology, through a presentation briefed various needle systems including shapes, sizes used in footwear, leather & allied industries. He also emphasized on using the correct needles in order to achieve competitive advantage.

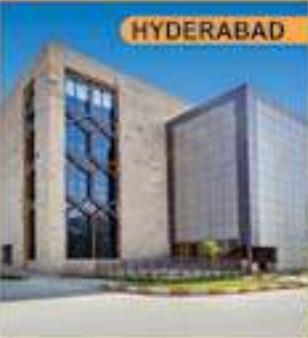

The focus of e-workshop was to make the students aware about the choice of the right use of needle point according to the requirement of the design, appearance, material, machine, thread & demand.
