Mr. Abdul Razzaque, student of B. Des, SFDP (Design Specialization)

Design sketch 'SNEAK-RAB' using computer technologies created by Mr. Abdul Razzaque

Diploma of the winner (1st place) awarded to Mr. Abdul Razzaque

The students of FDDI namely, Mr. Abdul Razzaque and Mr. Krishan Dev of B. Des, School of Footwear Design & Production (SFDP), Design Specialization, batch 2019-23, Noida presented their designs, 'SNEAK-RAB' and 'ALBESCENT'.

A WEEKLY NEWSLETTER

'SNEAK-RAB' design is inspired from the Otsukimi (Moon-viewing) festival of Japan, in which folklore tells of a rabbit living on the moon sent by the Japanese god for being kind and helpful. Sometimes, one can see the rabbit dancing on the Moon, celebrating the farmer's bountiful moonlit harvest below know as 'The Harvest Moon and The Dancing Rabbit'. This design uses sustainable materials for its construction.

Mr. Krishan Dev, student of B. Des, SFDP (Design Specialization)

Design sketch 'ALBESCENT' using computer technologies created by Mr. Krishan Dev

Diploma of the winner (2nd place) awarded to Mr. Krishan Dev

'ALBESCENT' is a fusion footwear concept based on the traditional Indian 'Jutti' style; amalgamated with contemporary Japanese streetwear such as 'Tabi' and vegetable tanned leather. It is inspired by Maison Margiela and Hender Scheme.

The jury comprised of industry veterans such as Cesar Ibrodo from the Adidas Yeezy line of products and the announcing of the winners and awarding of participants and finalists of the competition was carried out on October 27, 2022.

The recent accolades are testimony to this fact that FDDI nurtures and provides an excellent platform for the budding professionals to deliver big at industrial and educational landscape across the globe.
