Research paper presented by faculty of FDDI, Noida during ICoRD'23 held at IISc, Bengaluru

Dr. Krishi Sarin, faculty at Footwear Design & Development Institute (FDDI), Noida presented a research paper during the 9th International Conference on Research into Design (ICoRD) held at Indian Institute of Science (IISc), Bengaluru from January 9th to 11th January 2023.

ICoRD, held every two years in India aimed to showcase cutting edge research about design to the stakeholders; aid the ongoing process of developing and extending the collective vision through emerging research challenges and questions; and provide a platform for interaction, collaboration and development of the community in order for it to take up the challenges to realize the vision.

The conference was intended for all stakeholders of design, and in particular for its practitioners, researchers, pupils and educators.

'Certificate of Participation' given to Dr. Krishi Sarin

Research paper of Dr. Krishi Sarin has been published in the 'Book of Abstract' having ID 162

During the ICoRD'23, Dr. Krishi Sarin, Jr. Consultant, School of Fashion Design (SFD) presented the research paper titled 'Sustainable Approach to Tie & Dye Cotton Fabric using Acrylic colours', which was well received by the participants and the novelty of the concept was appreciated by the delegates present.

The aim of the paper was to establish that Acrylic colours have a potential substitute to direct dyes in the case of Tie and Dye, making it an environment-friendly and sustainable approach to the colouration of cotton fabric as it can be done very easily at home as well.

Her research paper has been published in the 'Book of Abstract' having ID 162.
