RECOGNITION

“ FDDI IS PLAYING A KEY ROLE IN IMPARTING EDUCATION, FACILITATING THE INDIAN INDUSTRY BY BRIDGING THE SKILL GAP IN THE AREAS OF FOOTWEAR, FASHION, RETAIL AND LEATHER ACCESSORIES & LIFE STYLE PRODUCTS, AND BECAUSE OF ITS CONTINUOUS CONTRIBUTION TOWARDS NATION BUILDING, FDDI HAS BEEN GRANTED THE STATUS OF **“AN INSTITUTION OF NATIONAL IMPORTANCE”** UNDER THE FDDI ACT 2017. ”

MESSAGE FROM THE CHAIRPERSON

Dear Students and Industry Partners,

Footwear Design and Development Institute (FDDI) which is having its twelve campuses across the country located at Noida, Fursatganj, Chennai, Kolkata, Rohtak, Chhindwara, Guna, Jodhpur, Ankleshwar, Banur, Patna and Hyderabad are improving the quality of education and leaving no stone unturned to achieve and surpass the expectations cast upon it as an ‘Institute of National Importance’.

To make mark on the educational spectrum, FDDI is in the process of consolidating these campuses and establishing FDDI as a brand in the educational landscape.

It has also developed strong competencies for promoting skill and knowledge in retail, fashion, and leather goods sectors. With India’s economy poised to grow at a significant rate for many years to come in future, these sectors, especially retail, will offer plenty of opportunities to graduating students.

FDDI has established Centers of Excellences (CoEs) at some of the campuses. These CoEs have been provided with the facility specifically equipped for addressing a particular thematic area of specialisation and is having the best available infrastructure and skills to not only aid research and development, but, also address concerns of the industry like product development, technological assistance and centres for incubation and entrepreneurship development.

FDDI is intensively engaged in the work related to quality & certification through its International Testing Centre (ITC) located at Noida and Chennai having physical & chemical testing laboratories. These labs are equipped with state of art testing facilities where testing of leather products, footwear, footwear components, textile products and miscellaneous articles made up of plastics is carried out. Prominent brands such as Adidas, Reebok, Puma, Nike, Renault, Nissan, and IOCL have used our lab for testing their products.

It is awarded with prestigious certifications and accreditations such as SATRA Technology Center-UK, ISO 9001 and ISO 14000 Certification and Bureau of Indian Standard Certification.

Recently, we have restructured the Noida & Chennai labs with new advanced machines for improving testing and inspection in a transparent manner.

I take this opportunity to extend a cordial invitation to the industry representatives as well as students on campus to become a part of this journey.

Thank you for taking the time to read this message.

**Best regards,
Ashish Dikshit
Chairman, FDDI - Governing Council**

MESSAGE FROM THE MANAGING DIRECTOR

Dear Students and Industry Partners,

Footwear Design and Development Institute (FDDI), recognized as an ‘Institution of National Importance,’ is dedicated to excellence in education, innovation, and enabling them. With twelve campuses across India—Noida, Fursatganj, Chennai, Kolkata, Rohtak, Chhindwara, Guna, Jodhpur, Ankleshwar, Banur, Patna, and Hyderabad—FDDI is shaping the future of footwear, retail, fashion, and leather goods, aligning with India’s economic vision.

Vivek Sharma, IRS

To drive industry transformation, FDDI has established Centers of Excellence (CoEs) across seven campuses, equipped with advanced technologies like AI, augmented reality, and additive manufacturing. These centers foster research, product development, and entrepreneurship, ensuring our students and faculty stay ahead of industry trends. Our International Testing Centers (ITCs) at Noida and Chennai, accredited by SATRA (UK) and NABL (India), uphold rigorous quality standards and serve global brands like Adidas, Nike etc reinforcing India’s footwear sector under the Government’s Quality Control Orders (QCOs).

FDDI plays a pivotal role in national initiatives such as ‘Skill India,’ ‘Start-Up India,’ and ‘Aatmanirbhar Bharat’ through its specialized schools in Footwear Design & Production, Fashion Design, Leather Goods and Accessories Design, and Retail & Fashion Merchandise. Our holistic approach integrates theoretical learning with industry-specific training, preparing students for global careers.

The Union Budget 2025-26 introduces key initiatives that will significantly impact the leather and footwear industry. The Focus Product Scheme aims to enhance productivity and quality in component manufacturing and footwear production, The Government initiation is expected to create 22 lakh jobs, boost exports and drive sectoral investment. FDDI is committed to aligning its educational programs with these initiatives, equipping students with the skills necessary to contribute to India’s vision of becoming a global manufacturing hub.

With world-class campuses featuring smart classrooms, IT labs, and internationally accredited facilities, FDDI provides an ideal environment for academic and professional growth. Our robust alumni network and strong industry partnerships stand as a testament to our commitment to excellence. Life at FDDI campuses is abuzz with enthusiasm, innovation, creativity, cultural fervor, style, fashion and sports activities.

We invite students and industry leaders to be part of FDDI’s mission—driving innovation, fostering talent, and contributing to India’s growth story.

**Best regards,
VIVEK SHARMA, IRS
MD, FDDI**

FROM THE DESK OF THE SECRETARY

Dear Students,

FDDI was established in 1986 under the aegis of the Ministry of Commerce, Government of India, to address the evolving needs of the leather and footwear industry. FDDI plays a pivotal role in skill development and education and work as public interface between government & Industry.

With India's vision of becoming a 'Global Manufacturing Hub' and achieving USD 47 billion in exports by 2030 in the leather and footwear industry, FDDI aligns with key national initiatives such as 'Make in India,' 'Aatmanirbhar Bharat,' 'Skill India,' and 'Start-up India.' These programs emphasize the 7S framework—Skill, Scale, Speed, Sustainability, Supply Chain, Style, and Sales—ensuring holistic growth in the industry.

As an 'Institution of National Importance' under the FDDI Act 2017, FDDI continues to nurture talent through its four schools: the School of Footwear Design & Production (FDP), School of Fashion Design (FD), School of Leather Goods and Accessories Design (LGAD), and School of Retail and Fashion Merchandise (RFM). With 12 state-of-the-art campuses nationwide, equipped with smart classrooms, advanced workshops, and internationally accredited testing centers, FDDI provides an excellent learning experience.

To drive innovation, FDDI has established Centers of Excellence (CoEs) at seven campuses, focusing on research, product development, and industry collaboration. These CoEs integrate Industry 4.0 technologies, including additive manufacturing, AI, augmented reality, and digital enterprise solutions, ensuring students gain hands-on experience with cutting-edge advancements.

FDDI International Testing Centers (ITCs) at Noida and Chennai, accredited by NABL (India) and SATRA (UK) support the industry through quality testing of footwear, leather products, textiles, and plastics, contributing to the implementation of Quality Control Orders (QCOs) mandated by the Government of India.

Beyond academics, FDDI offers extensive industry exposure through seminars, webinars, group discussion, individual projects, industrial visits, and training programs. Students are encouraged to engage in research, innovation, and Intellectual Property Rights (IPR) filing. With strong industry collaborations and an extensive alumni network, FDDI ensures its graduates are well-equipped to lead and innovate in their respective fields.

I invite you to embark on a journey of discovery, innovation, and excellence at FDDI. Together, let's shape a future that not only enhances your career but also contributes to the growth of the nation's industry.

Col. Pankaj K Sinha

**Best regards,
Col. Pankaj Kumar Sinha
Secretary, FDDI**

ABOUT FDDI

Footwear Design & Development Institute was established in 1986, under the aegis of **Ministry of Commerce & Industry, Govt. of India** with major objectives:

- To Develop Human Resources within the country by imparting appropriate knowledge and skills to promote the rapid growth of footwear and allied industry in the country
- To provide and develop appropriate infrastructure for the Indian footwear industry to enable it attain international standards of production and
- To particularly promote the growth of export production of quality footwear and allied products from the country

FDDI offers Bachelor, Masters, PhD programmes in the areas of Footwear Design & Production, Fashion Design, Retail & Fashion Merchandise and Leather Lifestyle & Product Design, besides offering short term Industry specific programmes.

FDDI is playing a key role in imparting education, facilitating the Indian industry by bridging the skill gap in the areas of Footwear, Fashion, Retail and Leather Accessory & lifestyle product, and because of its continuous contribution towards nation building, FDDI has been granted the status of **“Institution of National Importance”** under the FDDI Act 2017.

FDDI has Pan India Presence with **12 state-of-the-art campuses** spread across the country. It has world class Infrastructure & Facilities (equipped with Smart Classrooms, Workshops with latest machineries & equipments, High tech IT lab, High end Product development Centre, International Testing Centre, Comprehensive Library, Auditorium & Sports facilities, and In campus Hostels etc.), created across the functional domain to ensure international standards of higher education, training & delivery for Footwear, Leather products, Retail and Allied Industries - 360° interventions under one umbrella.

VISION AND MISSION

OUR VISION

To position India as a global leader in footwear design, fashion design, product design, and retail management, shaping the future of these industries while reinforcing India's prominence on the global stage. To establish FDDI as a global benchmark initiation in the relevant areas.

FDDI

OUR MISSION

We are dedicated to empowering students to excel by fostering creativity, innovation, and sustainability. By upholding the highest standards of excellence in education, research, and industry collaboration, we aim to redefine quality and service within these sectors, delivering superior education, product & responsive services, and cost-effective solutions that drive success for both our students and the industry.

NATIONAL & INTERNATIONAL COLLABORATION

FDDI recognized by National Council for Vocational Training (NCVT) as its awarding body.

FDDI collaborate with Tomas Bata University in the Czech Republic to establish a student and faculty exchange program, fostering cross-cultural learning and innovation. This partnership aims to enhance academic experiences and global perspectives for both institutions.

The Study in India portal, an initiative by the Government of India led by the Ministry of Education in partnership with the Ministries of External Affairs, Commerce and Industry, and Home Affairs, promotes quality higher education in India. It provides essential resources on courses, scholarships, and admission processes for international students to reinforce India's role as a global education hub. FDDI is proudly listed as a partner institute on this platform.

Recognized by Ministry of external affairs for awarding Atal Bihari Vajpayee General scholarship scheme for international student.

Pt. Deendayal Upadhyaya National Institute for Persons with Physical Disabilities (Divyangjan) PDUNIPPD, an autonomous organization under the Ministry of Social Justice & Empowerment, collaborates with FDDI to advance orthotic technologies in footwear, focusing on joint research in biomechanics and materials, product development utilizing FDDI's design expertise, and educational programs to share best practices for supporting individuals with physical disabilities.

The primary aim of this institutional collaboration is to enhance LFMEAB's capabilities in preparing, developing, and delivering training and related services for the footwear and leather goods sector in Bangladesh.

FDDI and ICAR-NINFET have joined forces to enhance academic and research collaboration, opening doors for innovative product development through advancements in materials and design. This partnership aims to drive forward both institution's capabilities in creating impactful, industry-leading solutions.

FDDI CoE - IIT Mandi (Indian Institute of Technology, Mandi) Singed an MoU- Faculty, Student Exchange Program for research and development, consultancy activities, exchange of academic and research material and publication, student internship.

FDDI Patna & MIT Muzaffarpur - Singed an MoU to collaborate in Education Research Faculty & Students Exchange Program.

FDDI CoE, IIT- R, Punjab (Indian Institute of Technology - Ropar, Punjab) - Collaborate in Research, Faculty & Student Exchange Program.

FDDI CoE, VIT (Vellore Institute of Technology, Chennai) - Collaborate for Faculty and Student Research and development Exchange Program.

FDDI has taken a leading role in fostering skill development and industry alignment by partnering with Careerself Service Pvt Ltd, Allure, REC, and Galgotias University. Through these collaborations, FDDI is extending its expertise and resources to benefit students and faculty from other institutions, enhancing academic growth, industry readiness, and career opportunities across the board to bridge academia and industry, supporting India's vision of enhancing its global stature in the footwear and leather sectors.

FDDI CENTRE OF EXCELLENCE (COE)

Under the Establishment of Institutional Facilities, Sub-Scheme of Indian Footwear, Leather and Accessories Development Programme (IFLADP) of Department for Promotion of Industries and Internal Trade (DPIIT), Ministry of Commerce & Industry, Government of India, FDDI has brought up world class infrastructure and the skills second to none through upgradation of seven (7) of the existing campuses of FDDI into 'Centre of Excellence' (CoEs).

Sr. No.	CoEs established on " Thematic Area "	FDDI Campus
1.	Center for Design, Development & Fabric Interface	Chennai
2.	Design, Development & Fabric Interface for Leather Products & Accessories - Extended	Hyderabad
3.	Center for Leather Finishing Innovation & Product Retailing	Patna
4.	Center for Leather Goods, Garments & Accessories	Kolkata
5.	High Performance / Specialized Footwear & Products and Start Ups	Jodhpur
6.	Center for R&D, Course Development and Leather Fashion Footwear & Products Innovation	Noida
7.	Center for Non-Leather Footwear, Products & Accessories	Rohtak

These CoEs which have been operationalized will act as a unique vibrant centre for students, industry, academicians, designers, researchers and educational institutions providing the facility specifically equipped for addressing the particular thematic area of specialization pertaining to footwear, fashion, leather products, and retail & fashion merchandise.

To meet the cutting edge technologies requirement such as additive manufacturing, AI application in design and data analysis, latest software's, and augmented reality application, digital enterprise, FDDI has initiated the processes of Industry 4.0 application through operationalization of these CoEs which are having the best available infrastructure and skills to not only aid research and development, but also to address concerns of the industry like product development, technological assistance and centres for incubation and entrepreneurship development.

ACADEMIC PROGRAMMES OFFERED

FDDI offers Bachelor and Master Degree & PhD programmes. Most of these programmes have been developed after an initial survey of the demand for such studies. They are launched with a view to fulfil the student's need for:

- Improvement of skills
- Acquisition of professional qualification,
- Continuing educational and professional development at workplace,
- Diversification of knowledge
- Self-enrichment

Increased Industry interaction for students through classroom projects, internships and graduation projects are the focus of the restructured curriculum. Students are provided with understanding of technical, managerial and design fundamentals along with a strong exposure to real life situations so that they are able to adopt industry ready skills.

BACHELOR DEGREE PROGRAMMES

1. Bachelor of Design (B. Des.): Duration: 4 Years (8 Semesters)

- B. Des. (Footwear Design & Production) (B.Des. – FDP)
- B. Des. (Fashion Design) (B.Des. – FD)
- B. Des. (Leather, Lifestyle and Product Design) (B.Des. – LLPD)

2. Bachelor of Business Administration (BBA Honours) :Duration: 3+1 (4th Year Hons) (8 Semesters)

- BBA (Retail & Fashion Merchandise) (BBA – RFM)

(Students who complete three years of the BBA program will be awarded a BBA in Retail and Fashion Merchandise degree. However, those who successfully complete all four years will earn a BBA (Hons.) in Retail & Fashion Merchandise degree.)

MASTER DEGREE PROGRAMMES

1. Master of Design (M.Des.): Duration: 2 Years (4 Semesters)

- M. Des. (Footwear Design & Production) (M.Des. – FDP)
- M. Des. (Fashion Design) (M.Des. – FD)

2. Master of Business Administration (MBA): Duration: 2 Years (4 Semesters)

- MBA (Retail & Fashion Merchandise) (MBA – RFM)

DOCTORATE DEGREE PROGRAMMES

3. PhD Programme starting from 2025 (For more information visit FDDI website).

SCHOOL OF FOOTWEAR DESIGN & PRODUCTION

B.DES IN FOOTWEAR DESIGN AND PRODUCTION (4 YEARS)

M.DES IN FOOTWEAR DESIGN AND PRODUCTION (2 YEARS)

Course objective :-

To create high-end creative designers and specialized professionals for the footwear and allied industries who can efficiently excel across the globe and serve the critical functional domains of the industry.

To instil the necessary knowledge and skills on the most recent aspects of footwear design, technology, and management that are relevant to the industry, and to assist them in making a mark in the international market.

Footwear market size was USD 373.19 billion in 2021 and is expected to grow at the compound annual growth rate of 4.3% from 2022 to 2030.

2D and 3D CAD application

Entrepreneur resource planning and Material resource

Footwear manufacturing technology

Operation management

Footwear Designing
(Sneakers, Sports, Luxury, Formal, Safety, Orthopedic, Casual Traditional)

Product testing and standards

TQM-Total quality management

Supply chain quality management

CAREER OPPORTUNITIES

- Footwear designer
- Production planning & control manager
- Product merchandiser
- Buyer
- Forecasting and range building
- Retailing and E-commerce specialist
- Costing manager
- Quality control manager

SCHOOL OF FASHION DESIGN

B.DES IN FASHION DESIGN (4 YEARS)

M.DES IN FASHION DESIGN (2 YEARS)

Course objective :-

The course aims to provide fashion designers a clear perspective on creativity and its application in innovative fashion design. The intent is to make the students to have a global knowledge of various fashion sectors so they are able to blend them with local cultures. To be equipped to enter the world of fashion by developing their own creative universe while being adaptable to different styles, types of brand and market segments

The global functional apparel market size is expected to be worth around \$550 billion by 2027, growing at a compounded annual growth rate (CAGR) of 7.4 % between 2020 and 2027

Associate Menswear Design

PLACEMENT CELL

The Placement Department plays a key role in counselling and guiding the students of the Institute for their successful career. It is a crucial interface for the students between the stage of completion of academic program of studies and entry into the professional world. The Placement department invites reputed National & Multinational companies for Internships & Placement of students across all campuses & courses. The department ensures proper counselling & grooming sessions to prepare students to face interviews, discussions & challenges that await them pre- & post- their career journey.

The Placement department invites stalwarts from the Industry for guest lectures, seminars, webinars, & events to share insights on latest trends, market scenario, economic growth, Industry need etc. Such sessions help in holistic development of students as they imbibe the practical learning along with academic learning.

PLACEMENT PROCESS AT FDDI

FDDI has a centralized campus placement process for all the 12 campuses of FDDI.

The Companies may send their manpower requirement at the placementcell@fddiindia.com or they may register through the link mentioned on the website of FDDI. Placement Department would respond to the requirement/query as per the confirmation for application received from students. Companies may extend Pre Placement offer to students during internship time.

EVENTS & ACTIVITIES

To showcase the creative skill and edifying creativity of the student community, the campus provides a suitable platform for the budding artists to bring to light the Indian culture and showcase its present integration with the Western community by way of Co-curricular activities.

Students can develop their social and interpersonal skills by getting involved in various co-curricular activities. Various clubs like Sports, Cultural, and Literary are functional in the FDDI and these clubs and activities encourage our students to delve deeper into activities and subject areas that they are passionate about. Such activities also improve their teamwork skills, and ability to build meaningful relationship with friends and peers, as well as with junior and senior students. A core committee consisting of staff and student members manages these clubs. Some of these events and activities include Footwear and Leather Expo, Inter College/School Design Competition, Knowledge Festival, etc.

LABS & WORKSHOPS

All campuses of FDDI are wirelessly equipped, offering all-round Wi-Fi Internet access to students and faculty round the clock. The Wi-Fi network provides network and Internet connectivity in every nook and corner of the campus that includes even the canteen and open theater, garden and the lawns.

The Hi-tech IT Lab comprises of PCs and high-end Workstation with prominent application software to meet the academic needs. Students are encouraged to use art labs & studios across the courses offered in the institute. This integrated approach to learning promotes interactivity, practical knowledge and design sense. The Institute invests in the latest equipment to introduce the updated teaching practices to the students.

- **Computer labs**

- **Photography lab**

- **Pattern making & draping labs**

- **Dyeing and printing lab**

- **Technology labs**

- **Leather design labs**

- **Resourceful Library**

- **Accessory Design workshop**

- **Shoemaster lab**

- **Visual Merchandising Lab**

- **Cutting/ Closing Lab**

The campuses have well-equipped workshops with adequate number of latest machines & equipments. State-of-the-art machines are available in the Cutting, Closing, Component, Lasting & Finishing Workshops. The International Design & CAD/CAM division is equipped with most modern and sophisticated machineries and software's such as - 2D & 3D CAD Systems, CAM Systems, etc. to nurture the world-class designers for the industry.

To ensure international training and delivery across the programmes/campuses, state-of-the-art workshops and labs are functional in each area of operations so that the students can be introduced to the latest global technology (inclusive of software, machineries and equipment's), systems and standards and get hands on training.

AMPHITHEATRES & AUDITORIUMS

Some of our campuses have fully air-conditioned world-class auditorium which is equipped with an ultra-modern, professional level light and sound systems, overhead LCD, recording system, spacious dais and solar lights etc. for lectures, discourses, conferences, company meetings, educational, cultural and recreational activities.

Amphitheatre: An innovative set-up with open-air seating, the Amphitheatre provides a platform for students to showcase their artistic and creative talents among other things. Lot of the events and activities take place in these amphitheatres.

AMPHITHEATRES

AUDITORIUMS

Media coverage in Times of India newspaper for six patents led by FDDI Hyderabad in the year 2022-2023 for 'Creative Shoes';

The cornerstone laid down by National IPR policy and the efforts made by Footwear Design and Development Institute (FDDI) Hyderabad campus has transpired into a credible achievement by making six patents with various streams in 'Creative Shoes' which will further increase the research thesis.

Adding another feather in FDDI's cap, student of Chennai campus presented the research paper at 21 UITIC Congress - Milano, Italy

Mr. Hrishikesh Ranjith, a student of FDDI, Chennai campus of 2019 - 2023 batch of School of Footwear Design and Production (FDP) presented his groundbreaking research paper titled "Novel Running Shoe Design for Persons with Plantar Fasciitis" at the prestigious 21 UITIC Congress held in the vibrant city of Milano, Italy from 20 to 22 September 2023. His presentation at the UITIC Congress in Milano is not only an opportunity for him, but, also a moment of pride for FDDI and the entire footwear community.

Invention by Faculty of FDDI, Hyderabad campus Filed & Published in Indian Patent Office Journal

Mr. Loganathan T, a Faculty of School of Footwear Design & Production (FDP), of FDDI, Hyderabad campus has led and published an invention in the Indian Patent Office Journal. His 12 research papers have been published in reputed international journals covering topics like Biodegradability, Tanning systems, Sports footwear, Environmental science, evaluation study about leather etc. His invention of Design and Development of Sustainable Sports Shoes using natural plant based alternative.

The invention emphasizes sustainability by incorporating energy-efficient production processes and potential recycling or biodegradation options, aligning with the growing demand for eco-friendly and cruelty-free products. In essence, this groundbreaking invention seeks to revolutionize the footwear industry by combining sustainability, style, and performance.

Mr. Loganathan T, Faculty, FDDI, Hyderabad campus

ADMISSION CALENDAR FOR ADMISSIONS 2025-26

Details	Date
Launch of Admission Prospectus / Online application for AIST 2025	15th November 2024
Last date of Online submission of application for AIST 2025	20 th April 2025
Last date of Online submission of application for AIST 2025 with Late Fee	30 th April 2025
Availability of open window for editing forms	21st - 22nd April 2025
Availability of Admit cards	1st May 2025
Entrance exam Date (AIST 2025)	11th May 2025
Merit list display on www.fddiindia.com	2nd -3rd Week June 2025
Dates of Counselling - 2025	June- July 2025
Last date of fee submission	15 th July 2025
Date of Orientation/Commencement of Classes	21st July 2025

ADMISSIONS

*If any candidate is unable to submit online application for All India Selection Test (AIST) 2025 by 20th April 2025 such candidates may be provided a final opportunity to online submit their Application for AIST 2025 by 30th April 2025 on payment of additional late fee of Rs. 400/- in case of General/OBC (Non Creamy)/GEN-EWS Category candidate and Rs. 200/- in case of SC/ ST/ PWD Category candidates.

Application Fee for (AIST/ Any National level entrance examination/Industry Sponsored / NRI Category):

- Non-Refundable Application Fee for General/OBC (Non Creamy)/GEN-EWS Category: Rs. 600/- through online payment gateway only.
- Non-Refundable Application Fee for SC/ ST/ PWD Category: Rs. 300/- through online

ELIGIBILITY CRITERIA & AGE LIMIT FOR THE ACADEMIC SESSION 2025-26

1. ELIGIBILITY FOR ADMISSION TO BACHELOR DEGREE PROGRAMMES (B.DES. / BBA)

A. A candidate who has passed, -

- a) 10+2, in any stream, from any recognized Board; or
- b) any School or Board or University examination in India or in foreign country recognized by the Association of Indian Universities as equivalent to 10+2 system; or
- c) School Examination conducted by the National Open School with a minimum of five subjects; or

B. A candidate who has appeared for any examination under clause (A), and whose result has not been declared at the time of admission, shall be eligible to apply for admission to the Bachelor's Programmes and such candidate, if selected, shall be granted provisional admission and shall be required to submit the result of the requisite examination on or before the 30th day of September 2025 to the Admission In Charge where the admission has been granted, failing which the candidate's admission may be cancelled and entire fee will be forfeited. Such candidates have to produce proof of having appeared for the examination during the Counseling process of FDDI programmes.

C. The age limit for the Bachelor's programme shall be 25 years as on the 1st July 2025.

2. ELIGIBILITY FOR ADMISSION TO MASTER DEGREE PROGRAMMES

A.) Master of Design (M. Des.) in Footwear Design & Production: Bachelor's Degree in any discipline from any Institute / University recognized by law in India. However, the bridge programme comprising of two to three relevant subjects may be offered with the existing M.Des. programme to the students who doesn't have any design background to provide necessary design inputs in order to understand the design concepts.

B.) Master of Design (M.Des.) in Fashion Design : Bachelor's Degree in any discipline from any Institute / University recognized by law in India.

C.) Master of Business Administration (MBA) in Retail & Fashion Merchandise) : Bachelor's Degree in any discipline from any Institute / University recognized by law in India.

A candidate who has appeared in any examination for any of the degree referred to under clause (A), (B) & clause (C) and whose result has not been declared at the time of admission, shall be eligible to apply for admission to the Master's Programmes and such candidate, if selected, shall be granted provisional admission and shall be required to submit the result of the requisite examination on or before the 30th September 2025 to the Admission In Charge where the admission has been granted, failing which the candidate's admission may be cancelled and entire fee will be forfeited. Such candidates have to produce proof of having appeared for the final examination during the Counseling process of FDDI programmes.

AGE LIMIT FOR MASTER DEGREE PROGRAMMES (M.DES./MBA): NO AGE LIMIT

LATERAL ENTRY ADMISSION GUIDELINES

FDDI offers lateral entry admissions to eligible candidates, enabling them to directly join the second year (3rd semester) of select undergraduate/postgraduate programs. This pathway is designed for students who have completed a relevant diploma or equivalent qualification, providing them with an opportunity to further continue their academic and professional aspirations in the fields of footwear, fashion, leather lifestyle and product design, and retail & fashion merchandise.

Admission under the lateral entry scheme will be based on the merit of the **All-India Selection Test (AIST)** conducted by FDDI. Candidates must meet the prescribed eligibility criteria, and seat allocation will be subject to availability.

ELIGIBILITY CRITERIA

Eligibility for FDDI-Lateral Entry Admission to Bachelor Degree Programmes (B.Des/ BBA)

• Educational Qualification

Passed secondary school examination/10th and passed minimum 3 years diploma (any mode-distance/online/ regular recognized by AICTE/ AIU/ UGC or any govt institute).

Or

10+2, completed a minimum 1-year regular diploma or at least 2 year (regular/ online/ distance mode) Diploma/ Certificate Programme from the relevant field.

• Age

Max. 25 years as on 1st July of the year of admission

Eligibility for FDDI-Lateral Entry Admission to Master's Degree Programmes (M.Des/ MBA)

• Educational Qualification

Bachelor's degree in any discipline and Minimum 1 year "PG" Govt approved diploma from the relevant field

• Age

No age limit

Seats Available

Not fixed, based on the vacant seat in the First year of the respective programs/ degree, categories and campuses.

Scheme of Examination

- Candidate will have to appear for an entrance examination i.e., AIST exam and undergo credit mapping of foundation/ first year.
- Admission will be made strictly on a merit basis (Rank-wise), counseling and Credit mapping.
- Screening of the application/ Credit mapping Will be done by the "Academic Equivalence Committee (AEC), FDDI

GUIDELINES

- The students accepted under the lateral Entry shall not be permitted to alter the branch/ program of study.
- The candidate with a backlog will not be considered for lateral entry admission.
- The admission through the lateral Entry shall be governed by Mapping of the courses to ensure that the knowledge gained by the candidate during the Diploma/ Certificate course is relevant to the program in which the admission is sought.

ELIGIBILITY OF CANDIDATES WITH ANY NATIONAL LEVEL ENTRANCE EXAMINATION FOR ADMISSION IN UG & PG PROGRAMMES

All eligible candidates with any valid **National level entrance examination** score card (UG: CUET, UCEED etc., PG: CUET-PG, MAT, CAT, CEED etc.) is allowed for participating in Admission process for UG & PG programmes for the academic session 2025-26.

The criteria for processing score obtained against the FDDI AIST Rank are as follows:

“The aggregate percentile of any national level entrance examination score may be equated at par with FDDI percentile. Marks corresponding to the nearest percentile of the candidate who appeared in the FDDI AIST may be allotted and the candidate having score/percentage/percentile in entrance examinations may positioned just below such candidate”.

Students having valid score are needed to apply online for admission 2025. However they may be given exemption from appearing in AIST 2025. In case they appear for AIST examination 2025, the rank for such candidates shall be determined on the basis of candidate’s performance in AIST 2025.

If any seat remain vacant after the AIST entrance exam & counselling process for the current year, such candidates with a valid “National Level Entrance Exam” score may be considered.

The selection of such candidates will be based on the mapping of their national-level entrance exam Score/rank with the current year AIST rank of the specific program, degree, campus & category.

COMMUNICATION STANDARDS:

The candidates are expected to possess good communication skills in English. It is recommended that the candidates should have good command in written and spoken English language as the same may help the candidates to improve their performance in the entrance test and interviews for on-board placement, in comprehending the programme taught and also getting placements.

ADMISSION UNDER NRI /PIO/ INDUSTRY SPONSORED CATEGORY

Over and above the regular seats, 10% seats are reserved for NRI /PIO/ Industry Sponsored candidates who meet the prescribed eligibility criteria. The NRI/PIO/ Industry Sponsored Candidate shall be interviewed and the selection shall be done on merit basis. NRI/ Industry sponsored candidates are required to pay twice the tuition fee in case of Noida, Hyderabad campuses and 50% extra tuition fee for other campuses in addition to the other components of the fee.

NON RESIDENT INDIAN (NRI)/PERSON OF INDIAN ORIGIN (PIO) settled abroad

Non-Resident Indians, who are citizens of India holding an Indian passport and have temporarily immigrated to another country for six months or more for work, residence or any other purpose and who meet eligibility and admission requirements of FDDI can also apply for admission.

Only a person who is an NRI himself/herself may seek admission and no other candidate without NRI status would be eligible. Admission under this category shall be made on the basis of merit. If any or all seats from the NRI quota remain unfilled, the resulting vacancy shall be filled on merit of the applicants for admission.

PERSON OF INDIAN ORIGIN (PIO)-

A person of Indian origin possessing foreign citizenship (except that of Pakistan and Bangladesh) without 'NRI' status, who holds a foreign passport at the time of application, consideration for admission and during the period of his/her study, he/she or anyone/both of his/her parents or anyone/both of his/her grandparents is (or was)/are (or were) citizen(s) of India by virtue of the provisions of the Constitution of India or Sec. 2(b) of Citizenship Act, 1955 (Act No. 57 of 1955).

The vacant seats under NRI / PIO/ Industry-Sponsored/ Foreign Nationals category will not be offered to any regular candidate.

Candidates may apply for admission under NRI/ PIO/Industry Sponsored category .

Please visit the FDDI website for regular updates regarding submission of Application Form under this category.

ADMISSION UNDER INDUSTRY SPONSORSHIP

Industry Sponsored candidate applying for admission into Bachelor & Master programmes have to fill the registration form available at the Institute website (first come first basis serve). Candidates applying in the sponsored category must submit a sponsorship certificate issued on the company letter head duly signed & stamped by the authorized person as per the format given below.

SPECIMEN OF SPONSORSHIP CERTIFICATE

To
The Managing Director,
Footwear Design & Development Institute,
NOIDA - 201301

Dear Sir,

We are sponsoring Mr. / Ms. for programme
scheduled to commence from 21st July 2025.

We also undertake to employ Mr. / Ms. after the programme is completed.

■ We agree to pay twice of the tuition fee. (For Noida & Hyderabad Campus)

■ We agree to pay 50% extra of the tuition fee. (For all other Campuses)

* Refer FDDI official website for detailed information

ADMISSION GUIDELINES

PROCEDURE FOR ADMISSION THROUGH COUNSELING :

Admissions will be made strictly on merit basis (Rank-wise) and counseling.

The programme & campus will be awarded to the candidates on the basis of their rank and preference.

Successful candidates will be called for the counseling in order of their rank based on aggregate score in All India Selection Test (AIST) 2025.

For UG program, the candidate opted both B.Des and BBA shall be offered separate ranks in both the programs. For Postgraduate programmes, the candidates who have opted for both M.Des. & MBA programmes shall be offered separate ranks in both the programmes.

Students will be called in the counseling in excess of the seats, therefore, there are possibilities that all the seats will be filled as per merit. Institute does not take any responsibility for any inconvenience caused to parents/candidates due to closure of the counseling prior to their turn.

A candidate who is allotted a seat will be required to pay an amount of Rs. 25,000/- at the time of counseling /admission to reserve the seat. This includes Rs. 10,000/- (Non Refundable) as Registration Fee + Rs 15,000/- as Advance Fee to be adjusted against the balance fee.

The candidates will be given 10 working days from the date of reserving his seat to deposit the balance fee.

Note:

FDDI reserves the right to change the campus and / or programme of a student if the enrolment for that specific program at the campus is less than 20 students. Subsequently student will be required to pay fee and other charges as applicable for that specific campus and / or programme.

Based on the information provided by the candidate in the application form while applying online, the candidate will be provisionally allowed to appear for the FDDI AIST 2025 Entrance Examination. It will be the responsibility of the candidate to provide valid certificates at the time of admission.

GUIDELINES FOR ENTRANCE TEST

The Examination Process (For All Programmes)

All eligible candidates would have to go through an examination process (Paper Based Test). The medium of the test will be in English and Hindi only. The process for Bachelor & Master programmes is separately listed below.

The Written Examination (For All Programmes)

Based on their choice of city, all eligible candidates will have to appear for the written entrance examination at the Examination Centres opted by them. The written entrance examination is designed to test the knowledge, skill and aptitude of the candidates for the programme opted.

FEE CONCESSION FOR RESERVED CATEGORY CANDIDATES (ONLY FOR THOSE WHO HAVE NOT APPLIED FOR ANY SCHOLARSHIP PROVIDED BY ANY GOVERNMENT /PRIVATE BODY)FROM 2023 ENROLLED BATCH ONWARDS

FDDI will provide 10% (Fee Concession on tuition fee) to reserved category candidates -Scheduled Caste (ST), Scheduled Tribe (ST), OBC (Non-Creamy)*, and Economical Weaker Session (EWS)*, Person with Disability (PwD)

This concession is only for those reserved category students/candidates who have not applied the Scholarship provided by any government or private body in any form.

Criteria for the 10% concession on the tuition fee mentioned below:

- (i) The concession will be open to Indian Nationals Only. Not applicable for NRI / Industry Sponsored/Foreign Nationals.
- (ii) For OBC and EWS category*, the concession will be paid to the students whose parents' / guardians' income from all sources does not exceed Rs. 8,00,000 (Rupees Eight lakh only) for OBC and EWS category during the last Financial Year. The income certificate shall be issued by the Authority as decided by the State / Central Government. This has to produce every year depend upon the eligibility.

The students getting any other financial assistance / reimbursement / scholarship / stipend towards expenditure on education from any other source viz Central / State Government / PSU (Public Sector Undertaking) / Trusts / private persons etc. shall not be eligible to apply for the financial assistance under this scheme.

FEE CONCESSION FOR FDDI BACHELOR'S STUDENTS WHO WOULD LIKE TO PURSUE MASTER'S DEGREE AT FDDI FROM 2023 ENROLLED BATCH ONWARDS

FDDI may provide 10% fee concession on first year tuition fee (semester -wise) to FDDI students who have completed the bachelor's degree with 7.0 CGPA and would like to pursue master's degree from FDDI. Students have to fulfil the eligibility criteria for the masters' program.

Students have to write AIST and based on the merit list, seat will be provided. This fee concession is not on the basis of AIST merit.

For the continuation of Fee concession to the students in 2nd year of postgraduate level, minimum average 6.0 CGPA in the last two consecutive semesters will be a necessary condition. The students will be required to submit their application for continuation of financial assistance in the next year along with all the documents in the beginning of the semester.

FDDI facilitate enrolled students at FDDI, to get Collateral Free Education loan up to Rs.30 lakhs under 'Vidya Turant Scheme' through Canara Bank.* (please refer prospectus for guidelines)
