## NOTICE

The students enrolled in B. Design Programme i.e. B.Des. FD, B.Des. LGAD & B.Des. FDP programme in Session 2019 are hereby informed that the concerned students may switch their specified B. Design programme with the any other B. Design programme offered at the same campus after successful completion of the Foundation Programme as per the below mentioned criteria:-

1. A student needs to have a minimum CGPA of 7.5 in the common foundation program to be eligible for change of programme at their respective campus.
2. The number of students switching IN or switching OUT of any course would be limited to maximum of 10% of the students enrolled in that course before the switching is carried out. **(for e.g. if there are 60 students enrolled in a particular B. Des. Programme, a maximum of 6 students can move out of this course and a maximum of 6 students can move into this course)**
3. The net students remaining in any course will not be less than 20 after the switching into the course and switching out of the course is carried out.
4. Incase the number of eligible students who wish to change their programme exceeds the permitted number, the request for change of programme will be considered at their respective campus on the basis of below mentioned criteria in order of merit:-
  - I. The student with higher CGPA in common foundation programme will be preferred.
  - II. Incase there is a tie in CGPA as per 4(I) , the AIST rank of the student will be considered for deciding the preference.

The interested students may submit their requests in this regard with Training Department at their respective campus by **15<sup>th</sup> July 2020**.
